## Polytechnic Ministries (NPCF, PCF, TP, NYP)

Staffworkers: Fuji Yao, Angeline Kong, Chan Mun Toh, Hilda Ng

### Praise God for:

- His guidance and how He has seen us through the NPCF and PCF ministry the past year. We are also thankful that we were able to hold the AGMs on 29 February despite some hiccups along the way.

### Pray for:

- the recruitment of freshmen for the next academic year, that the Lord will bring in students who want to grow and know Him more. Pray too, that as we share the gospel with the freshmen, a harvest will be reaped.
- renewed strength for the staffworkers and students as we carry out freshmen orientation programmes; prepare bible studies; and plan for the CF's new school term.
- Hilda, who has just joined us in early March under the GAP programme, that the Lord will bless and use her mightily for His purposes here in the poly ministry.

## University Ministries

Staffworkers: VCF: Tan Tee Khoon, Jasmine Foo, NTUCF & SIM-SCF: Siah May Lan

### NIECF & NTUCF

#### Thank God for:

- the people who had the opportunity to hear the gospel at the evangelistic event Freedom for Sex on 14 February.
- the success of Fun Day which brought the whole NTUCF together for a day of games. We are thankful for the good weather that day and the relationships forged.
- the added numbers in the CF's membership and the commitment, faithfulness and spiritual growth of the CFers.

#### Pray for:

- the new Exco elected on 25 March, that they will continue the good work of the previous leadership. Pray for a proper handover of leadership.
- the Freshmen Orientation Camp (FOC) that is being planned. Pray that the committee will work well together and rally the CFers to help out in the FOC, as well as encourage the in-coming freshmen to join FOC.
- wisdom and strength for Christian trainee teachers who are out for practicum from February to May. May they also be reminded to view this challenging phase as an opportunity to be ambassadors for God.

- God to guide and strengthen the helpers of NIECF as they plan for the upcoming semesters. Though small in number, may God use the CF to glorify Him and extend His Kingdom.
- CFers to be more outward looking in their view of the Christian life, especially in the area of outreach. Also, pray that they will walk closely with God in the midst of a busy student life.
- the final-year students that they will continue to live lives yielded to Christ after graduation, being salt and light wherever they are.
- the new staffworker to be assigned to the CF in June, that God will prepare and equip him for the challenges ahead. Thank God for Eugene, the current Associate Staffworker, who has been helping out in the absence of a full-time staffworker.

### SIM-SCF

#### Praise God for:

- providing four students for the new Exco, who have the zeal and burden for campus ministry.

#### Pray for:

- the new Exco as they work together and with other CFers to reach students on campus through the CF activities. Pray also for their vision for student ministry to be focused and not to be wavered by any factor.
- the students' exams in May. Pray for their preparation and good health during this crucial time.
- the students who are planning the Freshmen Orientation Camp (FOC) and the rest of the orientation programmes. Pray for smooth planning and implementation of the programmes.
- more students to join the CF when the new academic year begins in July.

### VCF

#### Thank God for:

- the active year that just past and for the faithfulness of the Exco and leadership in serving God on campus.
- the week-long campus-wide evangelistic event (known as Consider Christ) leading to Good Friday. Thank God for the students' passion and conviction to be a corporate witness on campus and making God known through the various activities – a series of talks, exhibits and friendship event.

#### Pray:

- that God will raise up leaders for the next Exco (the AGM is on 12 May), and in the various faculties, halls and standing committees. Pray that potential leaders will not hide away from God's prompting but be courageous to take over the baton.
- for the new leadership as they have to oversee major structural changes in VCF. Pray that they will have much wisdom to plan ahead and that VCFers will continue to grow in the midst of changes.
- for the Freshman Orientation Camp in mid-July – that many freshmen and even current Christians not attending CF, will come forward and be challenged to live lives that count for God. Pray that the camp will inspire the students to commit to living as salt and light on campus.
